# ABOUT US

We started the Belted Cow Company with the belief that we could invigorate the casual belt and accessory market if we focused on three themes: Exceptional Artwork, Extraordinary Craftsmanship, and Outstanding Customer Service. After 8 years in business, we think you'll agree that our designs, quality, and service are first-class. Belted Cow products are made in Maine by craftspeople renowned for their quality workmanship, attention to detail, integrity and pride. It only seems natural that we offer the same quality, expertise and service to our custom clients. Our custom program continues to grow leaps and bounds, so why not give us a try. Getting started is easy, we promise!

# HOW IT WORKS

The Belted Cow custom program is perfect for all types of organizations, companies, and personal occasions. Country clubs, inns, schools, yacht clubs, resorts, corporate events, and athletic teams are ideal for our high quality products.

We start with your artwork or ideas and create a custom design that will exceed your expectations. We will accept the following formats: jpegs, ai, pdfs, and even sketches. Please send your logo or idea to [custom@beltedcow.com](mailto:custom@beltedcow.com). You select the product on which you want your custom design and we do the rest, from weaving ribbon to crafting product certain to please.

From start to finish, the project takes roughly 6 to 8 weeks. We can sometimes "pull a rabbit out of a hat", so don't hesitate to ask if you need it sooner.
